Tech Prep Sheet: Bio Sci 230 Data Gathering Lab: Volumetrics and pH. Survey (NOTE)..

	Amount/	Total #	Total	
Supplies	student pair	students	amount	Precautions/storage/timeline
Lab Protocol	2	24	30	1 copy of lab per student (6 extra)
50 ml falcon tubes	8	12	72	Can be re-used, washed, etc.
Weighing paper boats	1	15	30	Keep weighing drawer stocked.
12 squeeze bottles with DI water	1	24	12	Keep handy for a variety of labs
	Amount/	Total #	Total	
Reagents	student pair	students	amount	Precautions/storage/timeline
3-4 vials of sodium bicarbonate (baking				Kitchen grade is fine
soda). About 50 grams per jar is fine.				
	Amount/	Total #	Total	
Equipment	student pair	students	amount	Precautions/storage/timeline
Analytical grade scale	1			2 in lab are fine
2-3 ph meters	1			Used 2-3 times during lab, make sure pH meters
				have calibration media (for ph 4,7,10) and a
				laminated SOP for pH meter use.
