

KPE DEPARTMENT MEETING

AGENDA – October 19, 2018

Meta-Majors and Pathways – Jasmine Ruys

- We want students to understand what the meta-major leads to for an occupation
- We want to align with career assessments
- Meta-majors are a simple way to group our degrees and certificates into broader categories that are easy for students to understand
 - Explore the World
 - Research, Design, Build the World,
 - Finance and Manage the World
 - Help and Serve the World
 - Create, Connect, and Cultivate the World
 - Sustain and Conserve the World
- Each meta-major is served by their own student success team

Course Revisions

- 5 are already completed
- Golf and Baseball are still in progress

New Courses – KPEA A, B, C

Sarah: Sports Medicine- Certificate of Specialization in Therapeutics Procedures

PTA Program

- Presented PTA program to program viability committee
- Need written agreement with community partners for lab space
- Met with Lisa on Wednesday regarding cert. of specialization – uses existing courses, 10 units: KPET 200, 210, 210L, 212
- Helps students show completion of classes that help with employment in PT field
- Potential for mirroring on non-credit
