<u>Attendance</u>: Edel Alonso, David Andrus, Lee Hilliard, Regina Blasberg, Sara Burns, Ruth Rassool, Stephen Branch, Ann Lowe, Mike Wilding, Mark Daybell, Joana Cargas Muaeen Obadi, Philip Marcellin, Deanna Riveira, Garrett Hooper, Lisa Brassfield, Cindy Stephens, Isao Uesugi, Jose Martin, Jasmine Ruys, Omar Torres, Ana Palmer, Michael Sherry, Dr. Van Hook, Denee Pescarmona, Lori Brown, Chris Blakey and Lea Templer

I. Routine Matters

1. **Call to order**: Edel Alonso called the meeting to order at 3:05 p.m. Edel welcomed everyone and thanked them for being here at Senate and for all their hard work. We then went around the table and introduced ourselves. The Senate agenda was approved. Any corrections were given to Lita and will be made.

2. Report of Officers

Report of Dr. Edel Alonso, Senate President:

Edel reported on her Senate related summer activities:

- ✓ Edel went to the ASCCC Leadership Conference in June. She is hoping that next year our Senate VP or other Senate Representative attends in her place. Topics of discussion included SB 1440, changes in Title 5 re: repeat and repeatability, SLOs.
- ✓ Edel met with Michael Dermody to discuss offices. We now have offices over at the CCC site and we need to work on whether faculty will have offices at COC or both campuses. Edel reported updating the Office Allocation Guidelines and will bring the proposed revisions to the Senate for discussion and appproval.
- ✓ Edel worked on revisions to the Tenure Process Handbook and met with Diane Fiero about this since HR will handle the logistics for the tenure process. She will bring the revisions to the Senate for approval.
- ✓ Edel developed a Senate Orientation Packet for new faculty, which she used at the Orientation for new faculty in August and it went very well. It included the role and responsibilities of the Academic Senate.
- ✓ A list of committees was put in the faculty boxes. Edel asked that faculty please indicate their interest in serving on committees so that she may make the formal faculty appointments as Academic Senate President. The committees lists will be updated on the Academic Senate webpage.
- ✓ Edel distributed information about ASCCC faculty awards in the faculty boxes during Opening Day. She asked that Division Senators please encourage their faculty to submit nominations. The deadlines are listed on the paperwork. If you need any help with the application please contact Edel.
- ✓ Edel will be attending the Department Chairs Retreat on September 23rd. She will be giving a presentation on SB 1440.
- ✓ Edel would like to form an Executive Committee for the Senate composed of Senate Committee Chairs. October 6 is the first meeting and she hopes to meet monthly to improve communication and coordination across Committees.

✓ Edel will submit the names of faculty appointed to Collegial Consultation Committees to Dr. Van Hook.

Report from the Senate Vice President, David Andrus:

✓ David reported that the Policy Review Committee has met already. They are currently working on the Program Discontinuance Policy. David thanked Isao and the committee for all the hard work they put into this policy. David is hoping that the committee can bring a draft to the Senate for the next meeting. David also reported that there is a Grant Task Force which includes sixteen people to improve communication regarding the pursuit of grants. The Chancellor is aware of this task force.

David informed the Senate that we have many more policies coming our way. Such as:

- ✓ Committee Procedures
- ✓ Curriculum Procedures
- ✓ By laws of Senate no ad hoc committee needed
- ✓ Barry Gribbons set up a task force.

3. Report of Standing and/or Special Committees/Task Forces

<u>Curriculum Committee</u>: Ann Lowe attended the Curriculum Institute this past summer. She gave a report of her conference. See the report below:

CURRICULUM INSTITUTE REPORT TO ACADEMIC SENATE

- 1. **Changes**: the community college system is under the microscope and we are encouraged to be thoughtful about our curriculum **in order to avoid legislative mandates**. A major emphasis is making it easier for students to complete their education in all parts of the California college system.
 - Pending legislation:
 - SB 292 Padilla would modify the Education Code and <u>require</u> community colleges to accept for the associate degree for transfer all credits earned al any other community college. The Academic Senate's position is that the legislation should <u>encourage</u> schools to accept those courses.
 - AB 372 Hernandez would modify the Education Code to <u>mandate</u> giving credit to veterans for experience. The Academic Senate supports <u>encouraging</u> credit by exam.
 - Title 5 changed in July so that repetition (W or substandard grade) of courses limited to "3 takes" for apportionment purposes. Colleges may still allow students to take the courses more times, but they will not receive apportionment after the third time.
- 2. SB 1440: Created Associate of Arts and Associate of Sciences Transfer degrees (AA-T & AS-T)
 - Ongoing emphasis on developing these degrees
 - See C-ID information to participate in process
- 3. C-ID Course Identification Numbering System

- Goal is to have common course numbering and articulation so that students can easily complete education and transfer within the CSU & community college systems. The project includes:
 - A "common course numbering system"
 - A set of descriptors to help "translate" between courses at different institutions. If a community college course matches the minimum requirements listed in the descriptor, it can receive a C-ID number
 - \circ $\,$ Creation of Transfer Model Curricula to comply with SB 1440 $\,$
- Ways to participate in the process:
 - Go to: <u>http://www.c-id.net/</u>
 - Sign-up as part of the listserv for your discipline and comment on the creation of the C-ID descriptors
 - Sign-up to be part of the vetting process when a TMC in your discipline is developed
 - o Attend discipline meetings in the area
- 4. Prerequisites
 - New method for approving prerequisite courses that are not part of the discipline. Most common examples are English or Math prerequisites.
 - Previously had to do statistically valid research to determine that placing these types of prerequisites did not have a disproportionate impact on any group.
 - May still do that, but may also use content review and a review of data related to the success of students when the prerequisite is put in place.
 - Process of content review must be more rigorous!
 - Must examine syllabi, exams, assignments, instructional materials, and grading criteria to match prerequisite skills with target skill acquisition.
 - Collaborative process between faculty from both prerequisite discipline and target course discipline.
 - Regular system of reviewing data must be in place and documented.
 - Curriculum Committee must be trained to critically examine the content review process before may approve these prerequisites based on content review alone.
 - Implementation requires new Board policy
- 5. Repeatability: new recommendations/policies coming in Fall 2011
 - Issues surrounding Fine Arts repeatability:
 - Colleges have not followed the guidelines in Title V, which restricts repeats to "families" of courses. For example a "performance" courses as a family are repeatable, but students should be limited to 4 "takes" total of performance courses.
 - Faculty in the Fine and Performing Arts are meeting to come up with a policy that is clear and acceptable to the Board of Governors.
 - They will probably ask for a relaxing of the regulations regarding Community Education, so that credit students and community education students can be registered for the same class session.
 - There may also be a new category of non-credit for the Fine and Performing Arts.
 - CTE repeatability:
 - o Was also supposed to be limited to "families" of classes for repeatability
 - Legislature and Board of Governors questions why someone who passes a "beginning CTE" class should repeat that course again when the course outline

does not show how students advance their skills in that class. The question is why isn't there another class that helps them advance their skills.

- Meetings the fall to develop policy on CTE repeatability
- Repeatability is likely to be more limited than in the past

<u>Elections Committee</u>: Lea Templer, sent out an email the first week of September requesting nominations for adjunct faculty Senate representatives. She received three names so no election was needed. The adjunct faculty are Sarah Burns, Ruth Rassool and Lisa Brassfield. Lea also reported that the Computer Center is working to get an electronic voting system up and running for faculty.

End of Curriculum Institute Report to the Senate_____

II. Unfinished Business The Senate was reminded that the following items remain unresolved:

- Proctoring Exams for Students in Online Classes pending Library expansion
- Proposal for New Procedures: Counseling Services in Policy Committee
- Proposal for New BP and Procedures: Associate Degree & Certificates in Policy Committee
- SLO Committee Proposed Benchmarks for Proficiency pending COCFA negotiations
- Proposal to Merge Departments: Engineering/Physics/Nanotechnology in Committee
- Proposal of New BP: Discontinuance of Program in Policy Committee
- Use of TAs –in Policy Committee

III. Discussion Items

- <u>Basic Skills Initiative (BSI) Action Plan</u>, Denee Pescarmona brought the paperwork to hand out. She was not able to have it ready for the agenda when that was posted. She went over the BSI and answered any questions that were asked. Edel reminded the Senate that she will not sign anything until the Senate has had a chance review what she is signing. The BSI needs her signature and once it is approved at the next Senate meeting Edel will sign the paperwork.
- <u>Emeriti Scholarship</u> was formed in 2002 and approved by Senate. This scholarship is for faculty and staff families. The monies that were put in were from the sell of sample textbooks. We are no longer doing that and the monies are declining. Edel asked the Senate what they would like to do and if they had any suggestions. She was asked if this could be looked into further and suggestions brought back to Senate.
- <u>Priority registration</u>, Jasmine Ruys, Director of Admission explained priority registration. She distributed a handout. If anyone has any questions about registration please contact Jasmine Ruys in Admission and Records.

IV. Action Items

1. The Senate confirmed the election of adjunct faculty to serve on the Senate for 2011-2012. The individuals are:

- ✓ Sarah Burns
- ✓ Ruth Rassool
- ✓ Lisa Brassfield

- 2. Technical revisions to BP 5910 Basic Skills Limitations were approved.
- 2. Technical revisions to AP 5910 Basic Skills Limitations were approved.
- V. Announcements: None
- VI. Adjournment: 4.22 p.m.

PROGRAM DISCONTINUANCE

Reference:

Education Code Section 78016; Title V Section(s) 51022, 53203(d)(1), 55130; ASCCC "Program Discontinuance: A Faculty Perspective"; ACCJC Standard II.A.6.b.

Pursuant to Title 5, Section 51022(a), the governing board shall adopt a policy for the discontinuance of courses or programs. College districts are also required by regulation and statute to develop a process for program discontinuance and minimum criteria for the discontinuance of occupational programs." Additionally, Education Code §78016 stipulates that every vocational and occupational program shall meet certain requirements prior to termination.

Santa Clarita Community College District is committed to supporting programs that fulfill its Mission and Institutional Learning Outcomes for students. Because program discontinuance is a curricular, student success and educational issue, it must follow a careful and extensive review of the program's status in relation to the overall educational mission of the District

Special attention must be given to the impact of program discontinuance upon those students who are currently enrolled in the program. Specifically, ACCJC Accreditation Standard II.A.6.b states: "When programs are eliminated or program requirements are significantly changed, the institution [should make] appropriate arrangements so that enrolled students may complete their education in a timely manner with a minimum of disruption."

Program discontinuance is an issue of both academic and professional concern for the Academic Senate. It is also a matter of collective bargaining in so far as the policy impacts employment or other negotiated work conditions. Above all it affects educational goals of students. Therefore, program discontinuance requires participation of members from all segments of the educational community of the District, including students in particular. It must be supported by a thoughtful process of vital academic considerations and a careful analysis of a range of data about the program in question and the impact on the educational mission of the District.

A recommendation to discontinue is mandated if so ordered by an external regulatory, governing or licensing body to which the program is subject. The process for program discontinuance mandated or otherwise, is set forth in Administrative Procedure 7220. If

discontinuance of a program or course is determined, implementation of the discontinuance must occur in a timely manner, per Administrative Procedure 7220.

Education Code Section 78016; Title V Section(s) 51022, 53203(d)(1), 55130; ASCCC "Program Discontinuance: A Faculty Perspective"; ACCJC Standard II.A.6.b.

I. DEFINITIONS

A. Program: An organized sequence of courses leading to a defined objective, a degree, certificate, diploma, license, or transfer to another institution of higher education (CCR Title 5, Section 55000). (e.g. completing a program of study leading to a certificate in Computer Maintenance Technology, an AS degree in Business, or transfer).

B. Committee: When a formal discussion is initiated the academic senate will form a Program Discontinuance Committee that will serve ad hoc whose membership is outlined in Section IV of this procedure.

C. Intervention - are recommended actions to remedy identified program shortcomings.

II. PROPOSING PROGRAM DISCONTINUANCE

Program discontinuance proposals can be initiated by the Chief Instructional Officer (CIO), Division Dean, Department Chair, or Academic Program Director. He/she will consult with Division Dean and Chair of the affected department, and any other potentially affected department or faculty. He/she will provide and include data and information as specified in Section III of this procedure to demonstrate the need for program discontinuance. The completed proposal is submitted to the Academic Senate President along with supporting documents.

Pursuant to BP 7215, whereby the Board of Trustees relies primarily on the advice of the Academic Senate in academic and professional matters, the Academic Senate shall have a fundamental and integral role in any discussion of program discontinuance.

III. PROPOSAL GUIDELINES

The initial proposal shall include, but is not limited to, the itemized quantitative evidence listed below. The emphasis on quantitative data in the initial proposal serves to establish a baseline of substantiation for advancing the proposed discontinuance to the next procedural level. The proposal will be submitted to the President of the Academic Senate.

A. Quantitative Evidence

The quantitative evidence may include, but is not limited to:

- 1. Enrollment trends over the past five years.
- 2. The projected demand for the program in the future.

3. Frequency of course section offerings and rationale as to their reduction, if applicable.

- 4. Term to term persistence of students within the program.
- 5. Student success and program completion rates.
- 6. Student completion rate.
- 7. Productivity in terms of WSCH per FTE ratios.
- 8. Success rate of students passing state and national licensing exams.
- 9. Enrollment trends over a sustained period of time
- 10. Data extracted from Program Review.
- 11. Data from a CTE Advisory Committee.
- 12. Regional Labor Data

IV. FORMATION OF AD HOC COMMITTEE

The Academic Senate will take up the proposal. The Senate President may request the party initiating the proposal to be present at the Senate meeting when the proposal is on its published agenda. Upon receipt of the proposal, the Senate shall approve the creation of an ad hoc committee.

A. Committee Composition

1. A tenured faculty member outside the Division of the program in question appointed by the Academic Senate President; *(this person will serve as Chair of the Committee)*,

- 2. Division Dean of the department that houses the program in question.
- 3. Academic Senate President, or designee.
- 4. CIO, or designee.
- 4. COCFA President, or designee.
- 5. Part-time faculty union president, or designee.
- 6. A student representative appointed by the Associated Students Government.

7. A Counselor appointed by the Academic Senate President in consultation with Counseling Chair.

B. Committee Functions

The Committee will use the quantitative evidence contained within the initial proposal as a foundation to make a qualitative assessment as to determining the merit of discontinuance. The Committee will be charged with:

1. Exercising discretion to expand its membership to include program support staff and student services representatives.

2. Gathering all qualitative and quantitative evidence into a written report.

3. Participating in all public meetings and discussions.

4. Recommending to the Academic Senate one of the three potential outcomes of the discontinuance process. (Listed is Section V(A) of this procedure.)

C. Qualitative Evidence

Factors to be considered may include, but are not limited to:

1. Contemporary analysis of the relevance of a discipline.

2. Current college curriculum and offerings as they relate to the academic mission of the college.

3. The effect of program discontinuance on institutional outcomes.

4. The potential for a disproportionate impact on diversity.

5. The quality of the program, which should include input from program review, student evaluations, articulating universities, local businesses and/or industry, advisory committees and the community.

6. The ability of students to complete their degrees or certificates or to transfer. This includes maintaining rights of students as stipulated in the college catalog.

7. Consideration of matters of articulation as they relate to curriculum.

8. The replication of programs in surrounding college districts...

9. The ability of programs to meet standards of outside accrediting agencies, licensing boards and governing bodies.

10. The goals and strategies of the College as outlined in the most recent Strategic Plan.

The Ad Hoc Committee must document any recommendations or requirements from external regulatory, governing or licensing body to which the program is subject.

D. Mandated Discontinuance

A recommendation to discontinue is mandated if so ordered by an external regulatory, governing or licensing body to which the program is subject, as stated in BP 7220. If such a mandate occurs, discontinuance of the program will be said to have been approved upon proper notification to the Academic Senate. Such notification should clearly cite the governing entity and legal or administrative authority requiring discontinuance. Pursuant to the mandate, the Ad Hoc Committee will be formed for the sole purposes listed in Section VI of this procedure.

V. REPORT OF AD HOC COMMITTEE TO FULL ACADEMIC SENATE

The Ad Hoc Committee shall submit its written report to the full Academic Senate. The report shall include both quantitative and qualitative evidence that support its findings. The report should assess the program's alignment with the mission, values, and goals

of the institution, as well as access and equity for students. The proposal shall, in essence, create a narrative describing the rationale for the recommended approval or denial of the proposed discontinuance.

A. Possible Recommendations of the Program Discontinuance Committee

There are three possible recommendations the Program Discontinuance Committee can make. A program may be recommended to continue, to continue with qualifications, or to discontinue.

1. Recommendation to Continue

The recommendation for a program to continue shall be based upon the aforementioned gualitative and guantitative criteria and will be documented in writing by the Committee and maintained by the Academic Senate.

2. Recommendation to Continue with Qualifications

Based upon the aforementioned qualitative and quantitative criteria, a program maybe recommended to continue with qualifications. These qualifications must include any requirements imposed by an external regulatory, governing or licensing body to which the program is subject. A specific time line will be provided during which these interventions will occur. The expected outcomes will be specified in writing and made available to all concerned parties. All interventions and time lines will be documented in writing by the Committee and maintained by the Academic Senate. In accordance with the established time line the program will again be evaluated based upon the aforementioned gualitative and guantitative criteria by the Program Discontinuance Committee.

3. Recommendation to Discontinue

The recommendation for a program to be discontinued shall be based upon the aforementioned qualitative and quantitative evidence and will be documented in writing by the Committee and maintained by the Academic Senate.

a. Mandated Discontinuance

A recommendation to discontinue is mandated if so ordered by an external regulatory, governing or licensing body to which the program is subject, as stated in BP 7220 and substantiated under Section IV(D) of this procedure.

B. Full Academic Senate Action

The Academic Senate will consider and deliberate on the Ad Hoc Committee's recommended action. At the conclusion of deliberations, the Senate will hold a vote to determine which of the three actions it will formally adopt. The Academic Senate's recommendation will then be forwarded to the College President to be submitted to the

15

Board of Trustees for approval. Pursuant to BP 7215, "the recommendation of the Senate will normally be accepted, and only in exceptional circumstances and for compelling reasons will the recommendation not be accepted." If a recommendation is not accepted, the Board of Trustees shall promptly communicate its reasons in writing to the Academic Senate.

VI. IMPLEMENTATION OF FINAL DETERMINATION

If a program is recommended or mandated for discontinuance, or to continue with qualifications, the original Ad Hoc Committee will reconvene to propose an implementation plan for the finalized determination. The implementation plan does not require approval of the Academic Senate. The Committee will formally convey their proposed implementation plan to the CIO and Academic Senate President who will work in concert with the College President to implement the plan in a timely manner, to its completion. The Academic Senate President will report back to the full Senate, from time to time, as to the status of implementation.

A. Implementation Plan

The implementation plan must include, but is not limited to:

1. A plan and time line for implementing the discontinuance or qualifications to be established.

2. A set of procedures to allow currently enrolled students to complete their programs of study in accordance with the rights of students as stipulated in the college catalog. If program completion is not viable, other equitable consideration must be accorded to students.

3. A plan for the implementation of all affected collective bargaining requirements and matters for faculty and staff.

Academic Senate Faculty Office Allocation Guidelines Procedures

The responsibility for assigning faculty to offices shall be a group decision of the Division Chairs in consultation with the Chief Instructional Officer.

I.Definitions

Every full-time faculty member in the Santa Clarity Community College District is entitled to an office on the Valencia campus unless a faculty member is permanently assigned to a campus other than the Valencia campus with the full consent of the faculty member.

The Academic Senate is responsible for faculty office assignments based on seniority in the district and maintains a faculty seniority list for this purpose. Seniority rank will be is determined by placement on the Certificated Staff Seniority List the date that a faculty member is hired by the district. If more than one faculty is hired on the same day, the Academic Senate holds a lottery to determine ranking among the faculty hired on the same date. The Academic Senate Administrative Assistant has the affected faculty members draw numbers out of a hat to complete this task. Time as an adjunct faculty member shall not be counted toward seniority.

II. DEFINITIONS

Based on the State Architecture Code, the following definitions shall be used:

- A. A single office shall contain between 72-144 **72-143** square feet.
- B. A double office shall contain no less than 144 144-214 square feet.
- C. A multiple office shall contain 215 or more square feet. The number of faculty assigned or potentially able to be assigned to a multiple office shall be determined by using a multiple of 72 square feet, which will assure a minimum of 72 square feet per person.

II. VACANCIES: At the time a vacancy occurs the offices(s) will be categorized according to the above definitions to determine the number of faculty members who may be assigned to a particular office.

A. Single Office

- 1. Current faculty members have the first option, based on seniority, to move into vacated offices. Faculty desiring to move into a vacated office must request to move to that office prior to the hiring of a replacement for the faculty member whose office has become vacant.
- 2. New faculty shall be assigned to offices with consideration to the proximity of the primary teaching area or preference. Conflicts shall be resolved in accordance with the above definition of seniority.

B. Double Office

- 1. When a vacancy occurs in a double office the remaining faculty member shall choose who the new office partner shall be. If the remaining partner fails or refuses to fill the vacancy, the Division Chairs Academic Senate President or designee will assign a partner to the office if the space is needed.
- 2. For two vacancies in a double office, priority shall be given by seniority to a current faculty member (who would then choose an office partner) followed by new hires.

C. Multiple Offices

When a vacancy occurs in a multiple office, the remaining faculty members shall choose who the new office partner(s) shall be. If the remaining partner(s) fail or refuse to fill the vacancy, the Division Chairs Academic Senate President or designee will assign a partner to the office if the space is needed.

III. Displaced Offices

Faculty members who lose offices who are displaced due to construction **or documented health hazard of an office space** and who have not found other permanent offices will have first choice at newly constructed or remodeled offices. Priority among displaced faculty will occur by seniority.

Faculty **members** may not be displaced by other faculty **members** without consent of all concerned and the Division Chairs.

IV. Offices at A Campus Other than The Valencia Campus

A faculty member who is permanently assigned to a campus other than the Valencia campus is entitled to a faculty office at the new campus. Assignment at the new campus, as in all campuses, is based on seniority in the district.

Because individual faculty offices at a new campus in the district may be limited, only faculty members with a majority of their load at the new campus will be given the option of using an individual office at the new campus on a temporary basis during the term that the faculty member teaches a majority of their TLUs (51%+) at the new campus. The faculty member shall not give up his/her Valencia office unless the faculty member is permanently assigned to the new campus. Faculty who teach at the new campus, but who do not have the majority of their load there, would have space in a multiple faculty office space.

IV. V. Additional Guidelines

A.Exceptions may be made to the above procedures in the event of special needs such as the health requirements of a faculty member (e.g. wheelchair accessibility) or the construction or designation of an office for a particular instructional purpose.

18

B.In the event there are more faculty than available office spaces, the procedure for assigning faculty to offices shall be as follows:

1.All currently occupied office(s) shall be categorized according to the above definitions to determine the number of faculty members who potentially may be assigned to a particular office.

2.In a double office utilized by a single individual or in a multiple office with less than the potential number of partners, additional partner(s) shall be assigned in order of reverse seniority (i.e. the lease senior faculty member shall be the first to be assigned a partner).

C. Conflicts over office allocation shall be first addressed by the Division Chairs Academic
Senate President and Vice-President. Appeals may be directed to the Chief Instructional
Officer Senate as a whole with a final appeal to the Superintendent/President CEO or designee.

Rev. 8/15/2011

CURRICULUM COMMITTEE PROCEDURES

I. SCOPE AND DUTIES

- 1. Review and recommend action on existing curricula
- 2. Review and recommend action on proposed curricula
- 3. Encourage and foster the development of new curricula
- 4. Request, consider, and respond to reports from various college groups whose work bears directly on the curriculum

- 4. Facilitates technology training for all committee members and faculty authors.
- 5. Supervises/assists Academic Deans in fulfilling their curriculum responsibilities.

V. AUDIT TRAIL

- 1. Proposals will not be considered until they have completed the Audit Trail.
 - a. Proposals must be submitted by faculty meeting the minimum qualifications to teach the proposed/revised course.
- 2. Selection of Auditors
 - a. Some positions on the audit trail are automatically appointed such as the Dean, Chair, Articulation Officer, and resource positions. They will be included in the audit trail due to their role in the college.
 - b. The following audit trail positions are appointed positions. The Curriculum Committee Faculty Co-Chair will solicit input from relevant campus committees for a faculty member to fill these positions. The chairs will mutually agree on a recommendation.
 - i. Distance Learning
 - ii. Disciplines
 - iii. SLO
 - c. The initial term of service shall be two years. Auditors may be reappointed for additional one year terms.
- 3. Auditor responsibilities
 - a. Department Chair
 - i. Check course outlines for accuracy in all sections
 - ii. Check to see that course is in line with the program review
 - iii. Check for appropriateness to college mission
 - iv. Ensure that SLO's, objectives, and content are divided into lecture/lab sections if appropriate and that all aspects of the outline are consistent with each other.
 - v. Check that outline meets curriculum standards as well as represents the current standards for that discipline.
 - vi. Verify that the SLO(s) is consistent with the relevant program and institutional SLO(s).
 - b. SLO
 - i. Ensure that SLO's are properly written and that the objectives are distinct from, but related to, the SLO's
 - ii. Compare content with SLO's & objectives to ensure consistency.
 - iii. Check that methods of assessment are consistent with SLO's.
 - c. Discipline
 - i. Ensure correct discipline placement
 - d. Distance Education
 - i. Ensure distance education addendum adheres to principles of distance education.
 - ii. Compare DLA to course outline of record to ensure that assignments can be completed in this format.
 - e. Academic Dean
 - i. Review entire proposal following the guidelines from the preceding steps in the audit trail.
 - f. Articulation Officer
 - i. Review program, general education, and articulation information for accuracy.
 - ii. Ensure that proposal (description, content, assignments) meet articulation requirements.
 - g. Learning Resources (Library, Computer Support)
 - i. Ensure that adequate resource for course/program are available.

- 4. If a proposal does not progress from one stage to the next within 6 months, the Curriculum Coordinator will contact the author to determine if the author anticipates completing the course. At that time the author may request that the Curriculum Coordinator delete the proposal.
- 5. Proposals do not require approval to be forwarded to the next stage. However, auditors may opt to return a course to the author if it does not meet curriculum standards. For example:
 - a. Incorrect format. For example no or poorly written SLO's, lecture/lab not separated,
 - b. Does not meet Title V requirements. For example minimal critical thinking objectives, no evidence of writing or problem solving in the methods of evaluating student achievement.
 - c. Does not meet articulation requirements
 - d. Course is inconsistently written. For example a course with lecture units is written as a lab class.
- 6. The final stage of the Audit Trail is review by the Curriculum Coordinator.
- 7. The Curriculum Coordinator will certify that the audit trail for the proposal has been completed. This will include:
 - a. All required supplements (e.g., DLA and Prerequisite form) have been completed
 - b. Appropriate changes to a relevant program have been made. New, deleted, and/or modified courses will not be reviewed if relevant program changes have not also been simultaneously submitted.
- 8. The Curriculum Coordinator will return all proposals that have been identified as incomplete to the author. The Division Dean, chair, and the author will be notified what areas need to be completed (see Appendix A).

IV. TECHNICAL REVIEW

- 1. Held prior to each regularly scheduled Curriculum Committee meeting.
- 2. The purpose of the technical review is to review proposals for clarity and provide guidance for further revision.
- 3. The faculty co-chair will establish the agenda.
- 4. To be eligible for the technical review, all proposals will be certified as complete by the Curriculum Coordinator
- 5. At a minimum, the Technical Review Committee will consist of the faculty Co-Chair, a rotating member from the Curriculum Committee, and the Curriculum Coordinator.
- 6. The Technical Review Committee will make one of the following determinations for every proposal reviewed:
 - a. Return to author for further refinement
