2. Approval of the Agenda: Motion Ruth Rassool, seconded Ann Lowe. Unanimous. **Approved**
3. Approval of the consent calendar: **Approved**
4. **President's Report, Paul Wickline**
 - There is a PAC-B meeting and CPT meeting on Monday.
 - Enrollment Management met yesterday. Paul wanted to share that we are on target and will not be adding classes in the summer session. There should be no additional work load added.
 - There was discussion in Enrollment Management about the Non-credit/Adult Ed. target. It is set right now for next year at 630 which is 300 FTE above 330 which is the previous goal. There was a lot of conversation about the feasibility of that. In Paul's meeting with Dr. Van Hook she voiced concern about that target as well knowing that we probably would not be having non-credit or basic skills curriculum approved to meet that goal. Dr. Buckley expressed that this was an ongoing target would probably need to be changed for next year. There was a lot of conversation in Enrollment Management about what this was going to look like in the terms of the non-credit adult changes, how that would affect individual programs in terms of their credit enrollments. There was quite a bit of conversation about Math and what that would happen if those basic skills courses (currently offered as credit) were moved into non-credit. Will that affect the credit FTE targets? There are some unknowns that we don't have answers to yet. Paul and Ann met and talked a great deal about program viability and its connection to the non-credit initiative and how that might play out. Paul put a document together that he will be sending out to the Senate on Monday so you

can look at it and get a sense of what kind of conversation we are having about how we are going to tackle this issue.

- Paul, Ann Lowe, Audrey Green and Jasmine Ruys met to discuss major course substitutions and which entity should be responsible for monitoring this practice to maintain the integrity of degrees. Paul suggested that this fell squarely under faculty purview as a 10+1 issue and suggested this be part of a conversation at an upcoming Instructional Advisory Council meeting. Right now it is a little fuzzy as to who makes the final determination about what is allowed when we are looking at courses to replace a course that is in the degree. Paul and Ann Lowe believed this conversation is a part of a larger conversation about “pathways” and general education offerings and local degree requirements. Paul noted that this was a conversation the Senate discussed briefly last year when looking at the Associate Degree policy and needed to be revisited more fully next fall. Paul suggested that it might be wise convene a taskforce to begin that conversation early in the fall about GE and the future of GE here at College of the Canyons. It was also suggested that a conversation in what insurances upper division or graduate level course work can substitute for a GE.
- Paul met with Dr. Buckley about the re-organization last Monday and this Monday they revisited it again. He voiced the concerns expressed by several senators who were present at the meeting of the Academic Senate subcommittee chairs which took place after the last Senate meeting. Paul expressed concerns by that group that Dr. Buckley needed to make sure he was proactive in talking to faculty and doing whatever he could to put out “fires,” address faculty concerns and provide a rationale for the changes. Dr. Buckley noted that he has met with Business, but had not met yet with History, and some of the other folks that had expressed concern. Dr. Buckley was very sensitive to the comments that were made and is planning to address faculty concerns as needed. Dr. Buckley will be at our next Senate meeting to discuss the reorganization and take questions from the Academic Senate.

5. VP Report, Rebecca Eikey

➤ Rebecca provided an update on the syllabi inquiry group’s progress on creating a template of best practices for developing syllabi. The teaching schedules have been so overlapping this semester that they have been unable to meet. She apologized about not having any more additional information. She and the groups have not forgotten about the project. Results and the template won’t be ready for the start of fall, but should be completed in early fall. **B. Committee Reports: N/A**

C. Unfinished Business

1. Policies on Counseling Services – Policy Review Committee

2. Formation of Ongoing Accreditation Committee – for Senate discussion in Fall 2014
3. Local Graduation Requirements – for Senate discussion in Fall 2014
4. Adjunct minimum Qualifications - HR

D. Discussion Items

1. **AOC and importance of the Work in Progress Form – principal, Dr. Pete Getz** Dr. Getz gave an overview of AOC at COC. The high school has been located at COC for 15 years now and they have a 100% graduation rate.
Dr. Getz spoke about the Work in Progress Form. Return rate is low and effectiveness is questionable
The high school personnel need to know the student's progress in class and faculty signatures verifying this. The instructors spoke that the students are bringing the paperwork up to the instructor either before or after class which is ineffective since the faculty often doesn't have access to the gradebook at that time. There are classes coming right in and they need to be out for the next class. The suggestion was made that the student come to the instructor's office hours to get their progress report and having it signed. It was stated that the student will not come because they may have to speak to the instructor about their progress in class and probably don't want to do that. The instructors also said they don't know who is a high school student so that makes it very difficult too to help with intervention as needed. A suggestion was made that the roster indicate if a student is an AOC student. Another suggestion was made to have the form put in the instructor's box indicated all of the AOC students with a due date for response. Due to FERPA student protection they are not able to do that. FERPA laws might restrict that, but if the student were to sign a waiver that gave permission for the instructor to know who they are, this might help. Dr. Pete Getz will take the suggestions and information the senators stated and speak with his colleagues.
2. **AP 3720 Computer and Network use Re. 5-1-15 – David Andrus and Jim Temple** David started out with apologizing that he did not forward the BP that goes with this. Just a minor change. He will send it out to Lita so she can send it out so the senator can familiarize themselves with it. David went over the proper procedures they have here on campus. The only significant change was to add "student" under Conditions of Use. This way the students were involved and held accountable to computer and network use. There was some text added to unauthorized use. David asked that you take this back to your divisions and this will come back as an Action Item for our next meeting.
3. **Revisions to the Academic Staffing Clarifications and Procedures Document – Wendy**

Brill

Wendy gave an overview of the document. She had a long dialogue with the Chancellor and Dr. Buckley when they met. Chancellor was not aware the procedures had been changed. Wendy also informed the Senate that she will not be chair next semester. You can see the strikeouts on these are for 2013 version. The committee was trying to make the procedures clearer on how positions are reviewed, how they are prioritized and what the communication should be between the committee chairs, the co-chairs and the Chancellor. The procedures also explain how vacant positions are defined separate from new positions. She went over the document and the changes made and the reasoning for the changes. Some minor changes were suggested by the Senators and Wendy will make those changes and the document will come back as an Action item for the next meeting.

E. Action Items1. Elections for at-large Senators results: **Approved**

- Lee Hilliard
- Deanna Riviera Michael Sherry
- Valerie Malinoski
- Diane Baker

2. Approval of Minimum Number of units for second component discipline to meet minimum qualifications for Interdisciplinary discipline – Edel Alonso

A motion for 3 units Edel Alonso, seconded by Lee Hilliard. A motion was made to add 12 units Bob Maxwell, seconded David Andrus. Motion for 6 units Wendy Brill, seconded by Amy Shennum. 6 units was the highest in the vote. **Approved A** vote was taken for and the results are:

<u>3 units</u>	<u>12 units</u>	<u>6 units</u>
6 favor	7 favor	11 favor
9 oppose	9 oppose	5 oppose
3 abstain	4 abstain	4 abstain 3.

Calendar for curriculum and senate revisions made – Lita Wangen - **Tabled**

This was tabled because Bob Maxwell said his dean told them that spring break was the week of April 4th and Jennifer Brezina also stated that it was that week, but on the webpage it states spring break is March 28th. Paul will speak with Dr. Mike Wilding and see what is happening. So we have no spring calendar of 2016 for Curriculum or Senate.

The District Computer and Network systems are the sole property of *the Santa Clarita Community College District*. The Computer and Network systems are for District instructional and work related purposes only. Any person without proper authorization of the District may not use these resources.

This procedure applies to all District students, faculty, staff, administrators, and to others granted use of District information resources (referred to hereafter as users). This procedure refers to all District information resources whether individually controlled or shared, stand-alone or networked. It applies to all computer and computer communication facilities owned, leased, operated, or contracted by the District. This includes personal computers, workstations, mainframes, minicomputers, and associated peripherals, websites and electronic mail, software and information resources, regardless of whether used for administration, research, teaching or other purposes.

Conditions of Use

~~Computer Support Services (CSS)~~Information Technology may define additional conditions of use for information resources under their control. These statements must be consistent with this overall procedure but may provide additional detail, guidelines and/or restrictions.

Legal Process

This procedure exists within the framework of other District Board Policies and state and federal laws. However, this procedure is not intended to restrict the academic freedom of the faculty as stated in other District Board policies. A user of District information resources who is found to have violated any of these procedures will be subject to loss of information resources privileges and possible disciplinary action as described in Board Policy 7360 (Academic Employees), 7365 (Classified Employees), 5530 (Student), and their associated Administrative Procedures up to and including but not limited to loss of information resources privileges; disciplinary suspension or termination from employment or expulsion; and/or civil or criminal legal action.

- **Unauthorized Programs** - Computer users must not intentionally develop or use programs which disrupt other computer users or which access private or restricted portions of the system, or which damage the software or hardware components of the system. Computer users must ensure that they do not use programs or utilities that interfere with other computer users or that modify normally protected or restricted portions of the system or user accounts. The use of any unauthorized or destructive program will result in disciplinary action as provided in this procedure, and may further lead to civil or criminal legal proceedings.

- **Reporting Problems** - Any defects discovered in system accounting or system security must be reported promptly to the appropriate system administrator so that steps can be taken to investigate and solve the problem.
- **Password Protection** - A computer user who has been authorized to use a password-protected account may be subject to both civil and criminal liability if the user discloses the password or otherwise makes the account available to others without permission of the system administrator.

5. The ASC will deliberate and ~~vote~~ make a recommendation on each district-funded position; new or vacant ~~categorical, grant funded, or district funded~~.
6. The ASC Chairs will notify the Academic Senate and the CEO of the Committee's recommendation and the selection guidelines used for the selection.
 - a. The ASC will classify requests for New or Vacant Faculty Positions as urgent, strongly recommended, recommended, or not ranked.
 - b. Each category will be listed in alphabetical order rank order by year.
7. Full-Time Faculty Obligation Number (FON)
 - ~~c. FON is the minimum number of full-time faculty required per district as set by the California Community College Chancellor's Office.~~
 - ~~d. The college should, subject to funding considerations, strive to maintain a greater number of full-time faculty than the minimum required by FON.~~
 - ~~e. Exceeding FON will help prevent last minute or rushed hiring to meet FON.~~
7. The ASC shall maintain an ongoing list of New Recommended Positions, Vacant Funded, and Vacant Un-funded positions, and the status of those positions will be posted to the ASC website from 2007 forward.
8. Full-time faculty hiring matters should be brought to both ASC Co-Chairs for consultation prior to Board authorization for hire of full-time faculty. If the ASC Faculty Chair is unavailable consultation shall be made with the Academic Senate President.
9. When there has been Board authorization for hire of a New Position or Replacement Position, but the Full-Time Hiring Committee has failed was not able to identify a suitable candidate for that position then:
 - a. The Full-Time Hiring Committee should continue to seek a suitable candidate for rehire of the position.
 - b. If the Full-Time Hiring Committee was not able to identify cannot fill the position the Full-Time Hiring Committee ~~should consult~~ will notify both ASC Co-Chairs. If the ASC Faculty Chair is unavailable, consultation notification shall be made with to the Academic Senate President.
 - c. Human Resources ~~should consult~~ will notify both ASC Co-Chairs before an Interim Position is hired. If the ASC Faculty Chair is unavailable, consultation shall be made with notification will be made to the Academic Senate President.

IV. Voting Methods

1. It is the responsibility of each ASC member to vote in the best interest of the College.
2. ASC members must review all position requests and be present for all in-person presentations in order to vote for a specific position. The ASC may choose to use averages or mean of ranking to vote.

Clarifications and Procedures
Revisions 2013-2014

3. A common rating system will be used for all positions. The details of this system will be made available to individuals making presentations
4. All **ASC** members are voting members except for the Chief Instructional Officer and Faculty Co-Chair, who will vote only in the event of a tie.

V. Definitions

1. A *Vacant Faculty Position* is defined as a funded position, vacated by resignation, retirement, illness or death of a faculty member.
2. A *Vacant Unfunded Faculty Position* is defined as an unfunded position, originally vacated by resignation, retirement, illness or death of a faculty member, which has been reviewed and recommended by **the ASC**, but become unfunded following the academic year in which the vacancy occurred.
3. A *New Position* is defined as an unfunded position, which has not existed previously, or is a *Vacant Unfunded Position*, whether categorically or district funded.
4. An *Interim Position* is defined as a full-time temporary position, up to a one-year assignment, in which the tenure process begins. ~~Within this year the *Vacant Position* should be brought before the **ASC** for review and recommendation.~~ *Interim Positions* are designed to temporarily fill a needed position **because** allowing the position to remain vacant while waiting for hire of a permanent replacement would be detrimental to the Program.
 - a. ~~*Detriment to the Program is to be determined based on timing of the vacancy, availability of Adjunct Faculty to temporarily staff the position, and legal mandates or requirements for Full Time Staff.*~~
5. A *Permanent Position* ~~is funded and~~ defined as having an unchanging status as a full-time permanent position. A *Permanent Position* is not equivalent to an *Interim Position*.
6. *Consultation* is defined as engaging the **ASC** in seeking information, advice and or guidance in determining a course of action.

VI. Considerations for Vacant Faculty Positions

1. Recommendations for *Vacant (replacement) Positions* should remain separate from the recommendations for *New Faculty Positions*. *Vacant Positions* remain funded for the next academic year and become *Vacant Unfunded Positions* thereafter.
2. In general, when there is a *Vacant Faculty Position*, the college will strive to hire a replacement instructor for the department where the vacancy took place. To ensure that replacement of the retired or resigned faculty member is the best possible option for the college, the **ASC** will meet to review the needs of the department and ~~determine~~ **recommend** using similar methods to guidelines for *New Positions*, if the department should have primacy in replacement.

Academic Staffing Committee
Clarifications and Procedures
Revisions 2013-2014

3. The Department Chair or designee and/or Division Dean will make a presentation to the ASC in support of the assertion their department should have primacy in replacing the faculty position.
4. If the committee decides the vacant position is not a College priority, the position should be filled by a discipline on the “new faculty” recommendations list, preferably within the same division.
5. If a *Vacant Faculty Position* remains unfilled, at the end of the next fiscal year the position becomes a *Vacant Unfunded* position. The department must follow the guidelines for “call for presentations for request of new faculty positions” if seeking to replace a *Vacant Unfunded* position.

VII. Guidelines for Review of Vacant Positions

1. Once the Human Resources Department notifies the ASC of a recent or upcoming full-time vacancy in a program, the ASC reviews this vacancy at its next monthly meeting and will make a recommendation to the CEO regarding the replacement. (Please note: the ASC cannot review any positions until the Human Resources Department receives an official letter of resignation or intent to retire.)
2. The Department Chair must prepare a one-page, one-sided document to be submitted to ASC Co-Chairs. This document will be shared with the entire ASC and used in evaluating the need for the replacement position and forwarded to the CEO.
3. The ASC may invite the Department Chair and/or Division Dean to be available at the next ASC meeting, as a resource for the ASC should any questions regarding the replacement position arise.
4. The one page document should include the following:
 - a. Title of position
 - b. Brief job description (approximately two sentences)
 - c. Justification for changes in the position or job description since last hire – for example: an English generalist instructor retires but the department would like to make an argument for a basic skills instructor (if applicable)
 - d. Program review data (current number of full time and part time faculty, FTEF, load, etc.) For consistency use only current data, information available on the staffing committee intranet page, as your data source.
 - e. Funding source for this position (if applicable)
 - f. Any other Additional information that may be helpful to the ASC in making recommendations, if applicable, including but not limited to how the position:
 - i. Improves adjunct/full time ratio
 - ii. Meets an important employment / job market demand
 - iii. Addresses historically low WSCH/FTE

Revisions 2013-2014

- iv. Contributes to the coordination of programs, staff
 - v. Addresses access, equity, retention issues
 - vi. Addresses regulatory / legal compliance issues
 - vii. ~~Would~~Makes COC more competitive
 - viii. Circumvents difficulty of hiring adjuncts
 - ix. Addresses department growth and innovation
 - x. Contributes to future plans for department growth and innovation
5. Materials provided to the committee shall be limited to the one-page, one-sided document, and presentation.
- a. Supplemental materials, including but not limited to visual aids, PowerPoint presentations, props and/or materials that could be construed as inducements, will not be allowed during the presentation
6. Presenters should be timely and punctual or forfeit the current opportunity to make a presentation

VIII. Vacant Unfunded Positions

1. If the Board of Trustees does not authorize rehire of a vacated position within the next academic year, it becomes a Vacant Unfunded position.
2. In order to reprioritize this position, the Department Chair, designee, or Division Dean may make a new presentation to the ASC, following the “call for presentations for request of new faculty positions” guidelines.
3. In their recommendations to the CEO, the ASC will give special consideration to Vacant Unfunded Positions.

IX. Requests for New Positions

Annually the ASC will:

- a. Review membership, establish criteria for scoring presentations, collect data from recent program reviews, and review ASC voting procedures.
- b. Publish selection guidelines and priorities for the current year prior to the presentations.
- c. Establish a timetable and procedures for faculty presentations and ASC selection.

A “call for presentations for request of new faculty positions” will be sent to the faculty and academic deans.

- a. Presentation scheduling should be established at future meeting times convenient to the majority of the ASC.

Academic Staffing Committee
 Clarifications and Procedures
 Revisions 2013-2014

- b. ASC members unable to meet at the established times should secure a substitute for either their conflicting committee or academic obligations.
- c. The ASC will use data collected during program review to maintain consistency.
- d. Each presentation should include a job description for the New Position requested.
- e. One-page position descriptions should define the duties and describe desirable qualities for candidates. (The ASC will provide model job descriptions to presenters.)

Faculty or designees shall make presentations for new faculty positions to the ASC.

- a. Deans or designees will make subsequent presentations when appropriate.
- b. The CIO shall make presentations when necessary to provide a global perspective.
- c. The ASC shall determine the number of positions to recommend per availability of funding, the length of term (time frame) of the list, and suggested priorities to be sent to the CEO.

X. Guidelines for New Positions

1. As groundwork for presentations of New Full-Time Faculty positions, Department Chairs or Deans must prepare a one-page, one-sided document to share with the ASC.
 - a. One-page position descriptions should define the duties and describe desirable qualities for candidates. (The ASC will provide model job descriptions to presenters.) This document will be used in evaluating the need for the new position, and forwarded to the CEO.
 - b. Presentations will be limited to ten minutes per department, regardless of how many positions are requested. If the disciplines vary, or the positions differ greatly, i.e. Geography and Astronomy as differing disciplines of Earth Science, this could warrant two separate ten-minute presentations and two separate one-page position descriptions. Alternatively, if the English department were requesting a new position in Developmental English and Transfer English, these two positions would warrant one presentation. Any concerns should be discussed with the ASC Co-Chairs before scheduling a presentation.
2. The one page, one-sided document, and presentation should include the following:
 - a. Title of position or positions
 - b. If requesting multiple positions, positions must be prioritized
 - c. Connection of position to the mission of the college, i.e. basic skills, transfer or CTE
 - d. Brief job description (one paragraph)
 - e. Program review data (current number of full time and part time faculty, FTEF, load, etc.) – current data is available on the ASC intranet page. For consistency with other presentations this information must be used as the data source.

Academic Staffing Committee
Clarifications and Procedures
Revisions 2013-2014

- f. Funding source for the position, i.e. categorical or district (if applicable). If funding is categorical indicate the length of time funding is available.
- g. Staffing history of the department detailing:
 - i. Vacant Unfunded Positions not authorized for rehire
 - h. Materials provided to the ASC shall be limited to the one-page, one-sided document, and presentation.
 - i. Supplemental materials, including but not limited to visual aids, PowerPoint presentations, props and/or materials that could be construed as inducements, will not be considered.
 - i. Presenters should be timely and punctual or forfeit the current opportunity to make a presentation
- 3. Any other information that may be helpful in making our recommendations (if applicable), including but not limited to:
 - a. Improves adjunct/full time ratio
 - b. Meets an important employment / job market demand / CTE
 - c. Addresses historically low WSCH/FTE
 - d. Coordination of programs, staff / need for "lead" in the discipline area
 - e. Addresses regulatory / legal compliance issues
 - f. Would make COC more competitive
 - g. Scarcity of adjuncts in the discipline area
 - h. Department growth and innovation
- 4. After presentations, the ASC will create and maintain a list of "New Full-Time Recommended Faculty Positions" for new hire, based on the need for efficiency and current planning.
- 5. Recommendations for new faculty positions will be grouped in 4 categories, in alphabetical order under each category:
 - a. Urgent
 - b. Strongly Recommended
 - c. Recommended
 - d. Not Recommended
- 6. No position shall remain on the "New Full-Time Recommended Faculty Positions" list in excess of 3 years.
- 7. In order to maintain current data for positions based on need the ASC will review all recommended positions that have not been moved to the Board of Trustees for authorization to hire, every 3 years.

Academic Staffing Committee
 Clarifications and Procedures
 Revisions 2013-2014

- a. This review shall include a presentation to the ASC, including the most current program information.
 - b. The "New Full-Time Recommended Faculty Positions" list shall be updated to reflect the most recent date of review, as well as the original date of recommendation by the ASC. This will assist the ASC in tracking the length of time a program has been waiting for a New Full-Time Faculty Position to be moved to the Board of Trustees for authorization to hire.
8. Recommended positions moved to the Board of Trustees for authorization to hire will be removed from the "New Full-Time Recommended Faculty Positions" list.
9. Revisiting Presentations
- a. It is not necessary to represent arguments to the committee for New Full-Time Faculty Positions that have been placed on the "New Full-Time Recommended Faculty Positions" list during the 3-year cycle, unless data or circumstances surrounding the program needs have changed dramatically since the initial presentation; i.e. Change in legal mandate, extreme program growth, increase in Unfunded Vacant Positions.

XI. Considerations for Grant Funded / Categorical Faculty Positions

1. All New Full-Time and Vacant grant-funded and/or categorically-funded faculty positions, regardless of funding source, shall be submitted to the ASC for review.
2. Presentations must be made to the ASC and should follow the same methods as requests for New Positions.
2. Presenters should pay particular attention to the stability of funds and include the revenue source, the expected duration of the funding source and the institutionalizing of the position timeframe for the institutionalization of the position should the grant and/or categorical funding cease.
3. Additional consideration should be given to the impact of grant funded / categorical positions on the overall FON at the college and the impact of expiration of funding. The job description and all other literature regarding the position shall include information regarding the District's obligation to these faculty members and institutionalize the positions after grant and/or categorical funding ends.
