

# Anthropology AA-T (IGETC GE Track)

+If you have completed coursework at another college and/or are starting in a semester other than a Fall term, please follow up with the Counseling Department to determine if this sequence is appropriate for your academic and career goals.

**Program Description:** Students who complete introductory courses in anthropology are equipped to understand those complex interactions between human biology, culture, technology and language that have enabled our species to evolve and adapt to the natural world, a foundation important for their future success as upper-division and graduate level university students. Future career pathways can lead to a number of different opportunities including: colleges and universities, government agencies, community organizations, businesses, public health, human services, and independent research agencies. [The Student Transfer Achievement Reform Act \(SB 1440\)](#)

**Program SLO:** Analyze and interpret modern humans, human ancestors from biological and cultural perspectives.

**Important Transfer Information:** The sequence listed below, may not meet all your transfer admissions requirements. Connect with a counselor to develop an individual student education plan through the Counseling Department @ <https://www.canyons.edu/counseling> or (661) 362-3288/(661) 362-3811.
