

# Interior Design–AS (Associates GE Track)

+If you have completed coursework at another college and/or are starting in a semester other than a Fall term, please follow up with the Counseling Department to determine if this sequence is appropriate for your academic and career goals.

## Program Description

The Interior Design program’s goals are to prepare graduates for employment in the current job market and/ or for transfer to a four-year institution. An important objective of the program is to consistently offer professional level curriculum that provides graduates with the ability to perform successfully in a variety of occupations as industry demands change and economic conditions fluctuate. Additionally, the comprehensive curriculum for this degree follows CIDA (Council for Interior Design Accreditation) standards to meet the functional and aesthetic needs required by clients for interior environments. Students who complete this A.S. Degree will be eligible to sit for the CID examination upon graduation, an important step towards becoming a Certified Interior Designer.

## Student Learning Outcome

Students will be able to demonstrate proficiency in the core skills and knowledge required for employment in interior design.

**Important Transfer Information:** The sequence listed below satisfies the AS requirements. It will not meet all your transfer admissions requirements. Connect with a counselor to develop an individual student education plan through the Counseling Department @ <https://www.canyons.edu/counseling> or (661)362-3288/(661)362-3811. For questions regarding the profession and discuss career goals, schedule an appointment with Holly Hitt-Zuniga, Interior Design Professor ([Holly.Hitt-Zuniga@canyons.edu](mailto:Holly.Hitt-Zuniga@canyons.edu))
