

Quick Service Technician - Certificate of Achievement

+If you have completed coursework at another college and/or are starting in a semester other than a Fall term, please follow up with the Counseling Department to determine if this sequence is appropriate for your academic and career goals.

Program Description:

The Quick Service Technician Certificate of Achievement will prepare an individual for entry-level employment as a light-duty service technician within the Automotive industry. Students will have the ability to diagnose common mechanical issues, perform regular vehicle maintenance procedures, and do minor repairs.

Student Learning Outcome:

Students will be able to demonstrate proficiency in the core skills and knowledge of a service technician required for employment in the automotive industry.
