

Navigating Mental Health Issues in the Workplace – Noncredit Certificate of Completion

Program Description:

Earners of this certificate have identified and demonstrated the appropriate Mental Health First Aid action plan for individuals who may be experiencing a mental health problem and crisis including connecting individuals to professional resources. They have also demonstrated empathetic strategies and good listening skills to build strong connections with customers, clients, and co-workers from diverse backgrounds and differing points of view. Earners have gained a deeper understanding of the importance of empathy, good listening skills, and appropriately navigating mental health issues in the workplace.

Program SLO:

Students will be able to identify and demonstrate empathetic strategies, good listening skills, and the appropriate Mental Health First Aid action plan for individuals who may be experiencing a mental health problem or crisis.

Important Information:
