Planning

A campus safety and emergency operations plan shall be developed and provided to students via my.canyons.edu (web), a brochure, distributed at the bookstore, and contained within the catalog.

Reporting

1. The Director of Campus Safety prepares and annually updates a report of all occurrences reported to Campus Safety of, and arrests for, crimes that are committed on campus and that involve violence, hate violence*, theft or destruction of property, illegal drugs, or alcohol intoxication, and of all occurrences of noncriminal acts of hate violence reported to campus authorities. A written report will be posted at the Campus Safety web site.
2. Written records of noncriminal acts of hate violence shall include at least a description of the act of hate violence, the victim characteristics, and offender characteristics, if known.
3. With regard to stalking***, the Director will report a crime statistic for each and every year in which the course of conduct is reported to a local police agency or to a campus security authority. Each report of stalking will be reported as occurring only at the first location within the institution's Clery geography in which a perpetrator engaged in the stalking course of conduct or a victim first became aware of the stalking
4. The Director of Campus Safety will report to the Department of Education and discloses in its annual security report statistics, the total number of crime reports that were "unfounded" and subsequently withheld from its crime statistics.

** Education Code Section 67380 defines "hate violence" as: "any act of intimidation or physical harassment, physical force or physical violence, or the threat of physical force or physical violence, that is directed against any person or group of persons or the property of any person or group of persons because of the ethnicity, race, national origin, sex, sexual orientation, gender identity, gender expression, disability, or political or religious beliefs of that person or group."*

Section 67380 requires reporting of occurrences reported to Campus Safety of non-criminal and criminal acts of hate violence (Section 67380(a)(1)(A) and (Education Code Section 67380(a)(1)(B)).

For purposes of reporting under the Clery Act, "hate crimes" include domestic violence, dating violence, and stalking.

*** California Penal Code Code § 646.9 defines stalking as (a) Any person who willfully, maliciously, and repeatedly follows or willfully and maliciously harasses another person and who makes a credible threat with the intent to place that person in reasonable fear for his or her safety, or the safety of his or her immediate family is guilty of the crime of stalking.*
