

## **Authentic Passion**

### ***Reflection***

- If the members of your team (colleagues & leaders) have low levels of authentic passion - or worse – are detractors, what messages are sent to you, your colleagues, students and partners who could help you?

### ***Appreciation***

- As it relates to helping your department to be the best it can be, list three things you could do to make a stronger contribution and to increase the impact of what you do for students.

### ***Behavior***

- What behavior would you like to see in your colleagues that would increase the impact of what you could do together?
