III. COVID-19 Vaccines at CCC's Survey, **COCFA President Nicole Faudree**

- Deriving from the Return to Campus Coalition, 2 surveys were developed to get feedback from faculty who are currently teaching in-person. This was sent out last week and asked some questions in regards to vaccine/mask mandates. Majority were in favor of both mandates and supporting it even if LA County does not. It is unclear if the Board of Trustees will continue the status quo or require a vaccine mandate. Although the budget passed, changes can still be made, so if you are interested in supporting the ongoing COLA discussions, please meet us at the Honor Grove or speak at the Board of Trustees meeting.

IV. COVID-19 Vaccine Booster Shots Update, **Gayle Freund**

- The COVID booster shots were recently approved by the FDA for only those who received the Pfizer shot. The eligibility requirements are for those who are either 65 years or older, 18-64 with underlying health conditions, residents in long term care settings, or 18-64 who have a high risk occupation. One must have completed the entire series of shots and that it has been 6 or more months ago. The Moderna and J&J boosters are not yet available. If you have had COVID, please check with your physician first before receiving it. There are vaccination sites on both campuses at days/times indicated in your email.

V. CSEA Updates With **CSEA President Andrea Varney**

- Remember that you have to use your own break/lunch time if you want to participate in supporting COLA-related actions tomorrow in the honor grove. There is no release time for this. At the BOT meeting, members of the public are welcome since it is an open/closed meeting, so please go into the Q/A or dial 9 for public comment. Make

sure to read the top page of the agenda. Shared a 3 minute video of an update from CSEA. Since the bill was passed by Governor Newsom, the topic regarding probation was brought to the district. Ab 275 will be changing the 1 year probation time period to only 6 months. Also, a survey was sent out on committees, so if you are interested in participating in a committee, please fill that out ASAP.

2. Jocelyn Harris-Institutional Research, Planning and Institutional Effectiveness

a. Serves as the Administrative Assistant to Daylene Meuschke. She has worked in various departments across campus. Jocelyn helps departments in the program review process especially with providing essential information. Please visit www.canyons.edu/data if you have any questions about the COC student population.
