### **Meeting Schedule and Mission Statements for CASL-PR**

The Academic Program Review (PR) Committee meets on the second Wednesday of each month at 1:30-3 pm and is a combined meeting with the Committee for Assessing Student Learning (CASL).

The Committee for Assessing Student Learning (CASL) Committee's mission is to ensure that the college goes through an ongoing, systematic process that clarifies and improves SLOs at every level from institutional, program, and course through certificates and degrees with specific emphasis on student success. The Committee works with faculty to ensure the methods of assessment of course SLOs and program SLOs are aligned and consistent across the college.

The purpose of the Program Review Committee is to provide training, advisement and assistance to College of the Canyons faculty and staff to facilitate and improve the program review process. The committee will provide leadership and guidance by reviewing comprehensive program reviews, annual plans, outcomes and assessment cycles, and evaluating the program review planning process.
