At the committee's September 13th meeting, we reviewed the College's Student Equity & Achievement (SEA) data for the 2022-26 SEA Plan due to the California Community Colleges Chancellor's Office in November 2022 and discussed existing programs, strategies and efforts supporting the SEA Plan metrics:

- Access/Successful Enrollment in the First Year,
- Completing Transfer-Level Math & English in the First Year,
- Persistence from First Primary to Subsequent Primary Term,
- Attainment of the CCCCO Vision Goal-Degree/Certificates- Within 3 years and
- Transferring to a Four-Year Institution

Current SEA Plan 2.0 data for College of the Canyons can be viewed at [SEA Plan 2022-25 Data](#).

Deeper data dives into the disaggregated SEA Plan 2.0 data for each of the metrics were held following the 9/13/22 committee meeting with 30 faculty, staff and administrators over 12 hours. This item will provide a summary of the discussions from these SEA Plan Open Hours meetings and provide committee members an opportunity to ask questions and provide additional comments. Then we will go into breakout rooms where members will brainstorm strategies to achieve the tentative goals established for each metric during the SEA Plan Open Hours.

To help prepare for this agenda item please review the [SEA Plan Metrics Presentation to the Academic Senate \(10.6.22\)](#).

Breakout Rooms will brainstorm strategies to achieve the tentative goals established for each metric during the SEA Plan Open Hours.
