	With the pandemic, we were very successful in sending all SBO staff members home with		
	the ability to work remotely. There was a lot involved in getting everyone set up with		
	laptops, VPN access, training on how to access the needed documents and programs and		
Student Business Office	completing their work from home agreements.	ACCESS	Yes
	Successfully re-imagined the entire operation in a short period of time so that staff could		
	work remotely while continuing to assist students with their needs. Policies and procedures		
	were revised to assure that while remote, the integrity of accounts remained intact and		
	audit requirements were maintained. SBO Zoom LIVE was quickly established with breakout		
	rooms to assist with communication and a web based phone service was established. Staff		
Student Business Office	were eager to learn the new processes.	ACCESS	Yes
	Staff have quickly adapted to changes and effectively established a home-work		
	environment. Supplies were purchased and with a lot of creativity, they have been able to		
	complete the majority of their work at home. With scheduled campus time, they are able to		
	safely get the items needed to continue working from home. We have continued with		
Student Business Office	normal processes and staff meetings to maintain communication.	ACCESS	Yes
	Researched and set-up for successful processing of CARES Act Distribution of funds		
	emergency funds. This was helpful with the 1098-T reporting. When the IRS decided last		
Student Business Office	minute that these could be excluded, due to our set-up, we were easily able to adjust.	ACCESS	Yes
	In response to pandemic, placed VBSE new hire documents and volunteer paperwork online		
	providing our constituents and recipients immediate access to required paperwork and
