

Guided Pathways Steering Committee Minutes

July 28, 2020

Update on Current GP Projects

(30 minutes)

- Examining Anti-Black Racism
 - We will be hosting our first podcast as a follow up to the student and employee panels addressing Anti-Black Racism on July 30th. A playbook will be followed throughout the podcast - team of faculty, classified staff, students, alum and managers/administrators met several times following the employee town hall in June to identify the elements of the “playbook”.
- Multicultural Center
 - A team of roughly 20-25 people (and growing each day) are reviewing the need, purpose, and programming of a multicultural center.
 - Contact Jasmine Ruys if you are interested in joining this committee.
- Canyons Connect
 - Working with MIS to integrate Canvas to Starfish.
 - Goal is to increase the faculty use from 10% to 15% in Fall 2020.
- Program Maps/Program Mapper
 - Garrett Hooper is working on maps with Susan Ling through summer to prepare for the first curriculum committee meeting.
 - 25 maps are fully completed and 16 maps are completed (pending signatures).
- Equity-Minded Practitioners
 - NCII Leadership- There was a webinar held on July 22, guest speakers: Bill Scroggins from Mt. Sac and Michael Baston from Rockland Community College.
 - Black Minds Matter- webinar held every Thursday, recorded and posted on YouTube.
 - Alliances- continues to meet on a regular basis. A FLEX session on What Alliances are at COC is scheduled for August 18th.
 - Alliances/Mentoring Program- We are engaged in a lot of dialogue to make sure our institute is culturally responsive.
- CAGP 2020-2023
 - Focusing our efforts in breaking down division between faculty/classified.
- A2Mend Meeting
 - We are officially a charter member of A2Mend. Meetings are held monthly led by Joe Shoemate, Anthony Morris and Heaven Warner. We are currently recruiting students for mentoring program.
- AAC&U Integrative Learning Team
 - We are offering a FLEX session for faculty and it will consist of 2 cohorts- Tech Institute and WPI Historical Museum.
 - Integration across discipline is becoming evident.
 - Faculty work can soon be documented in their Pebble Pad and E-portfolio.

Guided Pathways Steering Committee Minutes

July 28, 2020

- Hart District/College of the Canyons Professional Development
 - Hart District reached out to Omar to assist in training the Hart staff. We are collaborating with Julie Johnson and Robert Wonser creating asynchronous format for teachers.
 - Faculty panel will be participating in synchronous activities to help reduce anxiety with the staff.
 - Planning to do a “check in” on faculty in October.

Covid-19 Students Survey **(20 minutes)**

- Results are available on our IRPIE website as well as a video from the COVID19 Student Survey Webinar.
- Over 3700 surveys were submitted and the staff helped in gathering the data.
- Suggestions- follow up survey in the middle of fall semester, identify first time and returning students, create a focus group.

Caring Campus Initiative **(10 minutes)**

- The group is collaborating with the CCCCO to provide College of the Canyons with facilitated coaching to help increase student success.
