## Associate in Arts for Transfer Degree: Anthropology

The Student Transfer Achievement Reform Act (Senate Bill 1440, now codified in California Education Code sections 66746-66749) guarantees admission to a California State University (CSU) campus for any community college student who completes an "associate degree for transfer", a newly established variation of the associate degrees traditionally offered at a California community college. The Associate in Arts for Transfer (AA-T) or the Associate in Science for Transfer (AS-T) is intended for students who plan to complete a bachelor's degree in a similar major at a CSU campus. Students completing these degrees (AA-T or AS-T) are guaranteed admission to the CSU system, but not to a particular campus or major. In order to earn one of these degrees, students must complete:

- 1. 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
- a. The Intersegmental General Education Transfer Curriculum (IGETC) or the California State University General Education Breadth Requirements.
- b. A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.
- 2. Obtainment of a minimum grade point average of 2.0.

Associate Degrees for Transfer also require that students must earn a C or better in all courses required for the major or area of emphasis.

This degree may not be the best option for students intending to transfer to a particular CSU campus or to university or college that is not part of the CSU system. Students should consult with a counselor when planning to complete the degree for more information on university admission and transfer requirements. At the time of catalog publication, a student may earn an AA-T in Anthropology. Additional majors are being developed. Please see a counselor or visit http://www.canyons.edu for more information.

## Degree Student Learning Outcome:

Students will be able to Analyze and interpret modern humans, and human ancestors, from biological and cultural perspectives.

## Program Requirements:

T.T. *.		20 22
I hite	required:	701_77
Omis	reduired.	20-22

Units required: 20-22		TT *.		
ANTHRO-101 OR	Physical Anthropology	Units: 3.0		
ANTHRO-101H	Physical Anthropology – Honors	3.0		
ANTHRO-103	Cultural Anthropology	3.0		
OR ANTHRO-103H	Cultural Anthropology – Honors	3.0		
ANTHRO-105	Introduction to Archeology	3.0		
Plus five to six units from the following:				
ANTHRO-101L	Physical Anthropology Laboratory	1.0		
MATH-140	Introductory Statistics	4.0		
OR MATH-140H	Introductory Statistics – Honors	4.0		
OR MATH-140X	Statistics with Support	5.0		

PSYCH-104 OR	Statistics for the Behavioral Sciences	
SOCI-137	Statistics for the Social Sciences	
Plus three to four units from	om the following:	
BIOSCI-201	Introduction to Human Anatomy	4.0
GEOLOGY-100	Physical Geology	4.0
GEOLOGY-101	Physical Geology with Lab	3.0
GIS-101	Introduction to Geographical Information Systems	3.0
PSYCH-103	Introduction to Behavioral Research Methods	3.0
SOCI-102	Introduction to Sociological Research Methods	3.0
Plus three units from the f	following:	
ANTHRO-210	Indigenous Peoples of California	3.0
ANTHRO-220	Magic, Witchcraft and Religion	3.0
GEOGRPH-102	Human Geography	3.0
PHILOS-220	introduction to Comparative Religion	3.0
SOCI-106	Introduction to Race and Ethnicity	3.0
