

College to Career Connections Hotel And Restaurant Management

What is Hotel and Restaurant Management (HRMGT)?

The HRMGT programs focuses on the human aspect of managing people and creating excellent customer service in the hotel and restaurant environments. The Associate of Science degree designation in Hotel and Restaurant Management provides a broad based fundamental approach to the managerial functions in both the hotel and restaurant industry. The combined designation adds accounting requirements to either the restaurant or the hotel management program offering. College of the Canyons offers:

[COC - Hospitality Management Associate in Science for Transfer](#)

[COC -Hotel & Restaurant Management Associate in Science](#) - will not transfer to a 4 year university

The Associate of Science degree designation in Hotel and Restaurant Management provides a broad based fundamental approach to the managerial functions in both the hotel and restaurant industry.
