3.5 Action: Lounge.. For You

Motion: *kim*

Second: *Chiao*

Background: In this event, I want to be able to create a space for students to just walk in and relax- possibly meet people! I plan on having STCN 129 open for students to walk in and just play games like jenga, connect 4, etc, sort of like our team bonding and the STEM Mixer! It's a very low pressure event that will be open for 4 hours from 10 AM to 2 PM (maybe longer) where people can just spend their free time! I feel like it'll be a great way to spend any extra time people have in between classes, if people commute, want to get to know people and feel like it's too late in the semester, or just feel bored. I'd also like to create a space for students to sleep (STCN 128, darkened). This would be held on Tuesday November 1st and I would use some of the bulk bought Costco supplies for the event!

Cost: n/a

- See the student interest from the event to gauge student interest to hold repeatedly

- Will give students space to relax and lounge for students.
- Could color or use clay and could have a designated day to hold as a reoccurring event
- Would not require much cost or effort to promote students stress relieve
- Clay is suggested to offer during event.
- Ideas can be added on with each new year
- Send Sharika ideas

Recommendation: Move to approve Lounge For You event.

Record of Board Vote...5-0-0
