

Clubs Update – March 2022

Hello Everyone,

Happy March! I don't know about you, but I am enjoying the extra sun that we have been getting and look forward to having more sunlight later into the day. A big THANK YOU to all the clubs that participated in Welcome Week back in February. It was great to see students getting involved and talking to your tables even though it was quite windy and cold. Please read on for a few important updates along with some opportunities for you all to earn ICC points!
