Item Number: 3.2

Agenda Item Title: Approval of Club - FIDM

Background: The College of the Canyons FIDM Fashion Club is dedicated to any and all students with a love and appreciation of the art of fashion. The goal of the club is to help students get a head start on their career or hobby in design and creative industry as well as invite students who never may have channeled their artistic creativity. With many schools offering art-based degrees in fashion design, the FIDM Fashion Club allows students to get up-to-date information in regard to the School of Fashion Institute of Design and Merchandising.

We will be voting on whether to approve FIDM Fashion Club and be listening to FIDM members that are present to speak about the club.

Recommendations: Ask FIDM questions and vote on whether to approve the club for charter.
